Interruptor Simples

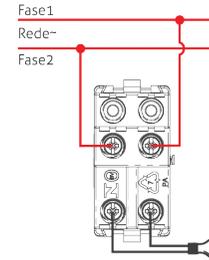

Interruptor Paralelo (Three Way)

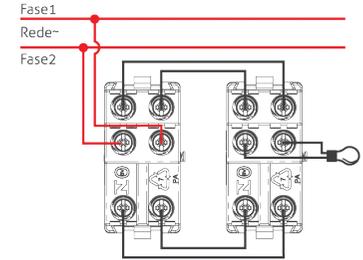

Interruptor Intermediário (Four Way)

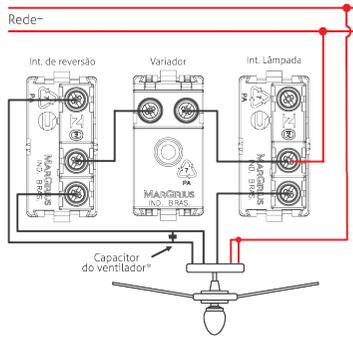

Interruptor Bipolar Simples

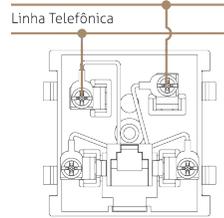

Interruptor Bipolar Paralelo

Conjunto Controle de Ventilador

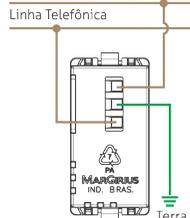

Tomada Telefone Padrão Telebrás

Telefone: fios verde e vermelho
PABX: fios preto e amarelo

Protetor Telefônico

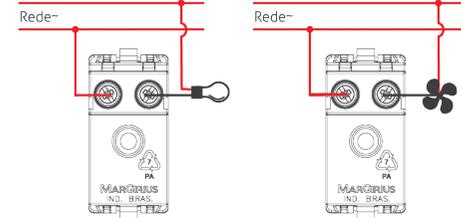

Tomada Telefone RJ11

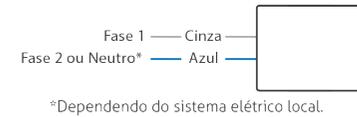

Telefone: fios verde e vermelho
PABX: fios preto e amarelo

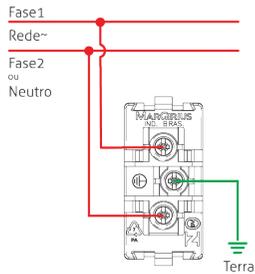

Variador de Luminosidade (Dimmer) ou variador de velocidade de ventilador

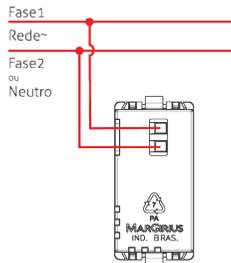

Balizadores horizontais e verticais

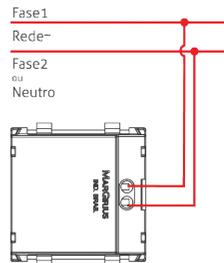

Tomada 2P+T

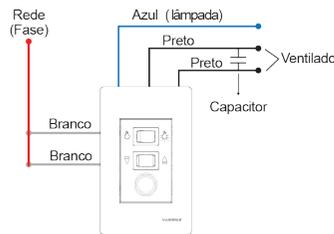

Tomada USB Balizador Modular

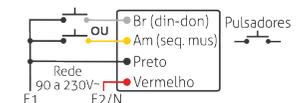

Luz de Emergência e Tomada USB Dupla

Controle para Ventilador Modular

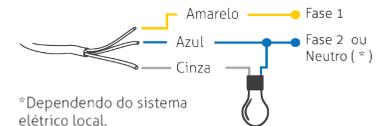

Campainha Eletrônica

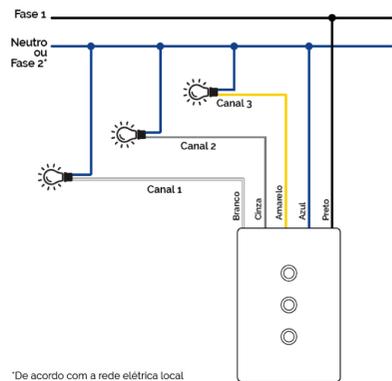

Obs: Isolar os fios não utilizados (amarelo ou branco).

Sensores de Presença

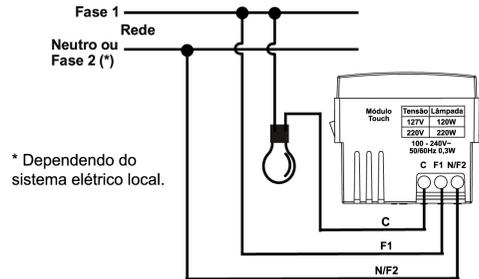

Interruptor Inteligente Touch

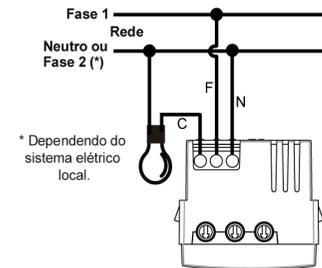

*De acordo com a rede elétrica local

Interruptor Simples Touch

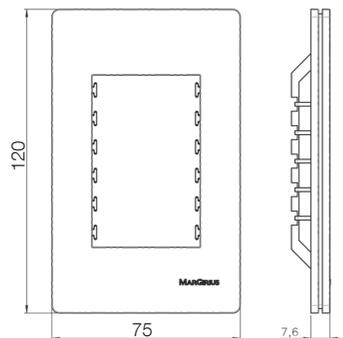

* Dependendo do sistema elétrico local.

Sensor de Presença Micromodular

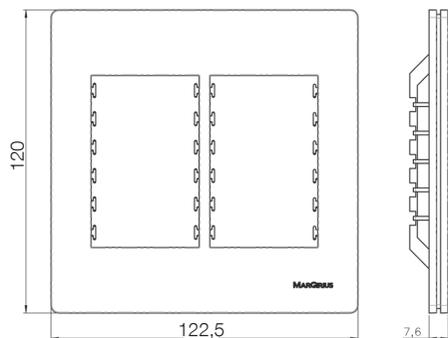

* Dependendo do sistema elétrico local.
